Work Experience

Software Developer Intern

Jul 2023 – Sep 2023

National Informatics Centre Services Incorporated (NIC), Assam

- Developed and deployed a Car Management System using Laravel and PostgreSQL, optimizing official transportation workflows.
- Integrated driver assignment, vehicle booking, and administrative approval systems within a single platform.
- Improved booking efficiency by designing a mobile-adaptive responsive UI using Tailwind CSS and ReactJS.

Education

The Assam Royal Global University, Assam

Oct 2020 – Jun 2024

Bachelor of Technology (B.Tech), Computer Science and Engineering

CGPA: 8.98 / 10 (Silver Medalist)

Semester Topper: 5th and 7th semester

Projects

Automated Classification of Assamese Songs

Feb 2024 – May 2024

- Built a hybrid ML/DL model classifying five Assamese folk song categories using MFCC features and deep classifiers.
- Developed and deployed a ReactJS-Flask based web interface for testing and showcasing models.

Automated Identification of Bihu Songs

Sep 2023 – Dec 2023
